The parking lot at
Freeland High,
Is filled with rainbows
like the sky,
With a venture through
this you will find,
Cars and trucks of
every kind,
From track and baseball
in the spring,
To cross-country and
band
doing their thing,
OUR parking lot is not
just for cars,
It is for people,
and things,
and stars.

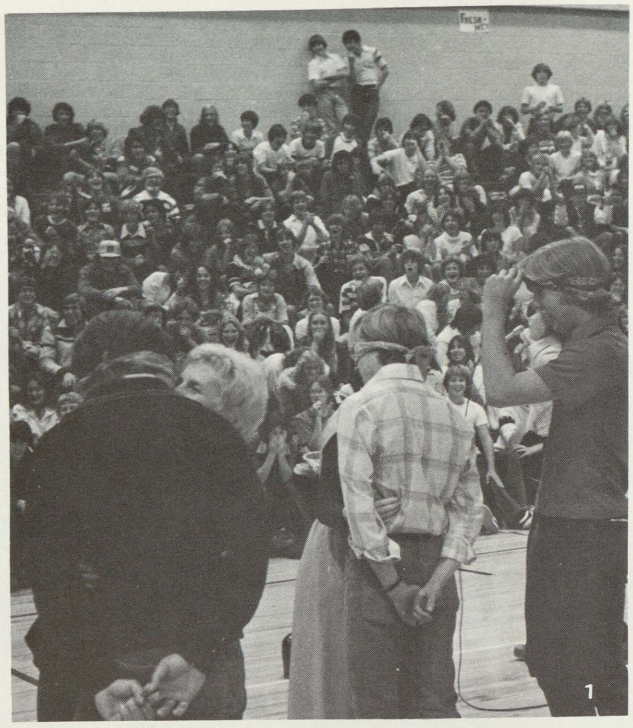
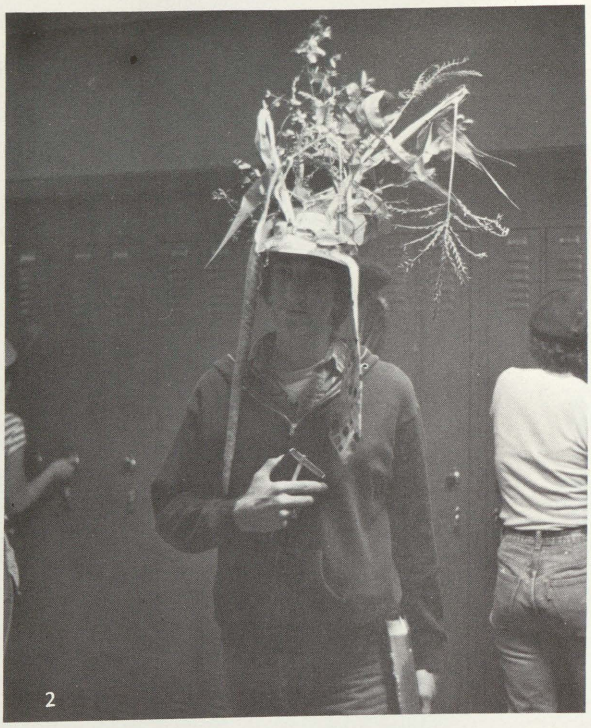
F.H.S. cruised through 1978 in full gear thanks to some great people who passed the millage this year. Freeland High was able to offer all the fun things which make a school more than a building. We screamed at pep assemblies, watched our band march with pride, were impressed with our own acting talents and rooted for our sports teams. Classes traded off the "little brown Jug" spirit award. Over all it was an enthusiastic year for all classes. We can be proud of our school spirit this year!





HOMECOMING IS FUN FOR EVERYONE

Special activities during Homecoming Week were enjoyed by nearly all students at F.H.S. this year. The Powder Puff game saw the Seniors stopping the Juniors' second half rally, and eventually winning the game 18-12. Many people also participated in Hat Day. During the special assembly the day of the game, the Sophomores took the Little Brown Jug, but not without controversy, because the teachers did not play fair.

The school food is the object of many jokes, about last year's carrots and the chili from last week in today's tacos. You usually know when they will be serving peanuts because the lunchroom guard is doubled. This doesn't prevent food fights though. There have been some memorable one in the the past. The caf has always been a general meeting place where friends gather to exchange the latest gossip. Of course not everyone stays in the caf, as Mr. Slater knows.

There Is More In Our Parking Lot Than Cars

As said in the introduction, the parking lot is the scene of many "events" at the school. Many times people have seen "Slater's Raiders" patrolling the parking lot in the morning. Who can forget those cold, snowy days where "No snowballs was heard over the PA at least 3 times. Jalopies, buses, vans, trucks and sport cars were all part of our parking lot this year.

This winter was one of the worst years remembered by Freeland students. With a total of ten school days nissed. The tempatures vareied going down to way below zero. And we all froze to death waiting for the bus wasn't that fun.

United Nations (U.N.) club went to Grand Valley. U.N. is a mock United Nations meeting. Many different schools go each representing different countries. At this meeting, lasting 4 days, the people participating learn what the real U.N. does. They learn how everything is ran and what each country has as har as power. This meeting is very rewarding for all involved.

Marching Band this year meant pep, spirit and a great time. The marching Falcons were directed by Mr. Shephard with Drum Major Andy Purvis. They went to S.V.S.C. and C.M.U. for their band days. Both of these proved to be fun a and rewarding. Keep up the good work marching Falcons.

Jazz band started last year, but this year is even better. They play pop, jazz, and rock. They put on concerts for anyone including high school open house, 4-H clubs, ect... They have also been to see some professional bands so that they can get some ideas. It's an all around good group.

To help get this yearbook out couch Hiscoe and Jerry Lawler spent many hours taking and developing pictures. Being on yearbook has been a very worthwhile and fun project.

Coach Alice Buchalter believes the reason the gymnastics team is so good is because they have better depth than the opposition. Senior Kelly Taylor's consistent scores make her an asset along with Mary Maxwell, whose specialty is beam. Sophomore Sandy Young has propelled the team to victory. The team has a 27 dual meet winning streak. They are hosting regionals and hope to place high.

Coach Hopcroft's teams have lots of strong individuals but lack teamwork in her opinion. Senior Brenda George holds a consecutive serve record of 11 in a row. Senior Wendy Wasalaski was an excellent setter along with Cathy Hoffman and Dawn Fox. Juniors Jean Baker and Sherry Wichert worked on spikes. Consistent servers were Tammy Seaver, Jacqui Reithel, Brenda George, and Heidi Roenicke.
